**DISCUSSION:**

SBCAG staff has been giving presentations on the Draft Measure D Renewal Investment Plan to business and community organizations and City Councils throughout the county over the past few months. (See attached Measure D-2008 Public Outreach Presentation Calendar).

Response to the presentations has been very positive in support of the Draft Investment Plan. Staff will report to the committee on the input that has been received from these presentations.

Additional presentations will be scheduled over the next months to continue to share the contents of the Measure D renewal Investment Plan and the results of the recent Public Opinion Survey. Committee members are asked to assist SBCAG staff in arranging opportunities to make presentations to the community organizations they represent by contacting Gregg Hart at [ghart@sbacag.org](mailto:ghart@sbacag.org) or 961-8905.
