STAFF REPORT

TO: TTAC

SUBJECT: 2005/06 Traffic Count Program

MEETING DATE: September 1, 2005

AGENDA ITEM: 6

RECOMMENDATION:

Receive traffic count schedule

STAFF CONTACT: William Yim

DISCUSSION:

The SBCAG Traffic Counts Program is a cooperative program between SBCAG, state and local agencies within Santa Barbara County. This program requires traffic count data to be submitted by Caltrans and local jurisdictions to SBCAG for purposes of traffic monitoring and Travel Trends Report update. Traffic Count schedules for the following fiscal year are normally sent out to Caltrans D5 and local jurisdictions in August/September timeframe. A follow-up reminder is also sent out in February/March timeframe to indicate the data submittal status and to allow make-up counts to be made. Staff is also in the process of contacting Caltrans and various agencies directly regarding the “un-submitted” data for FY2004/05.

Attached is the FY2005/06 schedule. The schedule is self-explanatory. Local agencies are strongly encouraged to follow the schedule as close as possible to order to avoid make-up counts and schedule adjustments. Should you have any questions, please contact William Yim at 961-8904 or email at (byim@sbcaq.org).
