Dear Mr. Bagde:

This letter serves as notification to Caltrans and FHWA of the SBCAG 2009 FTIP Administrative Amendment #19. Pursuant to the authority delegated under the 2009 SBCAG FTIP, minor modifications to the 2009 FTIP will normally be handled as Administrative Amendments and may be approved at the discretion of the SBCAG Executive Director. I have given my approval to this amendment that makes the following changes to the project described below which is consistent with the requirements in 23 CFR 450:

- **U.S. Highway Improvement Program – ITS** – (MPO ID: SBCAG14): Combine Project listing SBCAG14 with Project Listing SBCAG15. The combined scope and project schedule remain unchanged.
- **Operations and management improvements including ITS technologies on U.S. 101 in Santa Barbara County** – (MPO ID: SBCAG15): Project listing is being combined with SBCAG14. Project listing for SBCAG15 will be deleted from the FTIP.

The 2009 FTIP remains financially constrained.
